

# Collagen BE Beauty Drink

## What is Collagen BE?

Collagen BE is very popular in Japan! Our Collagen BE beverage offers elasticity and natural moisture for your skin. We have extracted over 40 types of vitamins and minerals from pure oysters. One of the important trace nutrients in oysters is zinc, long recognized as beneficial for beautiful skin and a natural complexion. This is an oyster extract product with a great fruit flavor, and our newest type of “Beauty Drink.” 1 carton of 10 bottles will last for over 1 month. We are certain you will be very satisfied with the results. Collagen BE can be taken by gentlemen, but it is appreciated especially by ladies!

## Who much do I take?

You can drink one bottle a day if you like, since it is a great source of vitamins and minerals. Many people report an increase in energy in addition to a visible improvement to their skin feel and color. See our detailed recommendations in the next question!

## What is the Recommended usage?

Drink 1 bottle each evening prior to bedtime for 5 nights in a row. Then, drink 1 bottle on any evening each week afterward to maintain the nice effects. At anytime, you can increase the frequency of Collagen BE if you have had a busy schedule or you simply would like to restore or rejuvenate your skin tone and color to a more natural level.
